Milwaukee Ballet School & Academy's Year-End Observation Week will be held Monday, May 18 through Saturday, May 23. Ballet VII and lower will have one set day of observation, and Academy levels will have two. See the tables for specific observation week scheduling. *Creative Movement, Pre-Ballet I-III, Ballet I, Ballet II, and Boy's I classes will have their observation on the one day throughout that week that they would normally meet for class.*

Due to capacity issues and in the interest of safety, we are asking you to limit your guests to a max of two persons per student for each class day/time that observation is offered. Observational seating is limited, but we will do our best to accommodate everyone.

*Dance & Fitness and Dance Along With Me do not participate in Observation Week.*
