

The Giant's Garden

2025 Spring Showcase Family Guide

As of December 18, 2024

Participation Survey (yes or no) is due Monday, January 27

Mandatory Rehearsal Dates: May 20-22, 2025

Performance Dates: May 24 & 25, 2025

PLEASE READ THIS GUIDE IN DETAIL AND KEEP FOR REFERENCE THIS SPRING.

We will update the handbook and distribute it via email as new information becomes available. The most current information is always available at <https://milwaukeeballet.org/mbsa-performances-showcases>.

This production of The Giant's Garden was created in 2017 by former School & Academy Director Rolando Yanes in conjunction with previous faculty members Monica Isla, Jennifer Miller, and current Director Kristin Dimmer. We are delighted to bring back this fun tale of how a cantankerous, lonely Giant discovers that generosity and community enrich his life rather than selfishness and isolation.

MBSA encourages all students in Pre-Ballet I through Academy II to participate in the annual showcase. Performing shows the skills learned in ballet class, increases self-confidence, and provides an opportunity to work towards a project in which each child is an important part of a larger whole...and it is a lot of fun!

While tickets must be purchased for family and friends to attend the show, there are no additional costume or performance fees to participate in the showcase performances.

THE PROCESS

Use the Participation Survey link below to indicate if your student(s) will or will not participate. A response is required for all enrolled students (except for Dance Along with Me and Creative Movement). Please read all the information in this guide before deciding if your family can commit to this showcase.

[CLICK HERE TO COMPLETE THE PARTICIPATION SURVEY BY MONDAY, JANUARY 27.](#)

Starting in February, students spend a few minutes of each class rehearsing. In May, the full cast comes together, and students learn the transitions between dances before bringing the show to the stage.
