EDUCATION IN DANCE, EXPERIENCE FOR A LIFETIME

A PROFESSIONAL EDUCATION

Milwaukee Ballet School & Academy offers exceptional dance training in an encouraging and professional environment.

An education in ballet teaches more than how to pointe your toes. Students learn poise, teamwork, and discipline - skills that lead to success both on stage and off.

QUALITY

Milwaukee Ballet School & Academy (MBSA) is the only pre-professional studio school accredited by the National Association of Schools of Dance in the Midwest.

Students are coached by an experienced, international faculty that includes professional dancers. Many alumni achieve a career in dance.

While MBSA is large enough to provide top-notch training, it's small enough to offer individualized attention to ensure every student is reaching their potential.

The Academy and Pre-Professional Divisions are well equipped to prepare students for a professional career in dance.

OPPORTUNITY

All students in Pre-Ballet I and up are invited to participate in the all-school showcase in Spring 2024. No additional fees!

Most students are eligible to audition to perform alongside Milwaukee Ballet's professional Company dancers in mainstage productions like *The Nutcracker*.

Students who select Baumgartner Center for Dance share the facility with Milwaukee Ballet's professional dancers and can observe them in rehearsals.

Students in most levels attend Milwaukee Ballet productions at no cost.

Intermediate and Advanced students learn a variety of dance styles from an international faculty.

Advanced students enjoy complimentary seminars on nutrition and injury prevention, as well as Pilates classes.

ACCESSIBILITY

No additional fees! Tuition is all-inclusive. There are no charges for auditions, costumes, seminars, or performance opportunities.

Beginners are welcome at any age! Drop-in Division classes are a great option for teens and adults. If you have always wanted to try, now is the time!

Milwaukee Ballet School & Academy has three locations in Greater Milwaukee easily accessed by I-43, I-94, or I-794: Brookfield, Fox Point, and Third Ward.

Scholarships and financial aid are available, and discounts are provided to families with multiple students.

CHILDREN'S DIVISION | AGES 2-6

Our youngest students begin to assimilate to the studio environment and develop enjoyment for movement. Rhythms and basic music counting, as well as body and spatial awareness, are important areas of focus.

Dance Along with Me is designed as an introduction to dance for our littlest dancers ages 2-4 who participate with an adult guardian.

Students in *Creative Movement* and *Pre-Ballet* levels must be toilet trained and able to enter the classroom without an adult.
